Eligibility:

The VU Fellowship Programme (VUFP) is a scholarship for strongly motivated students with excellent study results. Eligible candidates must be able to prove their academic excellence, must be admitted to a pre-selected Master's degree at VU University, do not have the Dutch nationality and have not graduated from a Dutch higher education programme.

Application instructions:

Students register for a Master's programme in Studielink and in the VUnet portal. Here you can find more information on how to apply for one of the English taught Master's programmes of the University. Please note that you can apply for the Master programme and the VUFP scholarship simultaneously. You do not

have to wait for admission before applying for the VUFP scholarship. After the application for a Master's programme, students prepare their application for a VUFP scholarship. The deadline for applications is **1 March 2015**.
